B ☐ One website I really ² _____ is amazon.com. It is a website for buying books. One reason I'd recommend it is because you can buy used books. This means you can get really good books for half the price they cost in the shops.

C ☐ Finally, I ³ _____ recommend this website to anybody who is interested in books. Even if you don't buy anything, it is fun to surf the site, and a great source of information about books of all types.
