Section 3 — Written Responses

1. **Why do you want to study this course, and why have you chosen Cardiff and Vale College?**

I want to study this course because I am keen to improve my English language skills, particularly in reading and writing, in order to access further education and employment opportunities. I chose Cardiff and Vale College because it has an excellent reputation for supporting adult learners and offers flexible

evening classes that fit around my other commitments. Several people I know have studied here previously and spoke very highly of the teaching staff.

2. What do you hope to achieve by completing this course? How will it help you in the future?

By completing this course, I hope to be able to write clearly and accurately in a range of everyday and formal situations, such as completing official forms and writing letters. In the long term, I aspire to work in a customer-facing role in the United Kingdom, and this qualification will help me to communicate confidently with colleagues and customers. I also hope to use the skills I gain to support my own children with their schoolwork.

3. Describe any previous study or work experience that is relevant to this course.

Although I have not previously studied English formally in the United Kingdom, I completed secondary education in Ukraine and have several years of work experience in customer service. I have also been attending informal English conversation classes at a local community centre for the past six months, which has improved my confidence considerably.

What makes this answer good:

- Section 2 choices are consistent with the Section 3 answers (Level 2, evening classes, unemployed, needs language support)
- Each written answer gives a specific reason rather than a generic one
- Formal register maintained, with topic vocabulary reused from the "useful phrases" list
- Q4 specifies clearly what kind of learning support is needed, as the form requests
- No contractions anywhere in the written responses
