Section 3 — Written Responses

1. Why have you decided to join Cardiff Bay Leisure Centre, and what made you choose this particular centre?

I have decided to join Cardiff Bay Leisure Centre because I want to improve my overall fitness and adopt a healthier lifestyle. I chose this particular centre as it offers excellent facilities, including a swimming pool and a wide range of group exercise classes, and it is conveniently located close to my home. I have heard positive reviews from friends who are already members here.

2. What are your fitness or health goals, and how do you plan to use the leisure centre to achieve them?

My main health goal is to lose weight and build up my general stamina over the next six months. I intend to achieve this by attending the gym at least three times a week and taking part in group exercise classes such as spin and yoga. I would also like to use the swimming pool regularly, as I find it an enjoyable way to exercise without putting strain on my joints.

3. Is there any additional information you would like the centre to know about you?

I was previously a member of a gym in Newport, so I am already familiar with using fitness equipment safely. I do not currently have any medical conditions that would affect my ability to exercise. I look forward to becoming an active member of the centre.

What makes this answer good:

- Section 2 choices line up logically with the Section 3 answers (gym, swimming and classes ticked, matching the stated goals)
- Q2 gives a measurable, specific goal and a clear plan rather than a vague intention
- Formal register and topic vocabulary reused naturally from the "useful phrases" list
- Closing sentence in Q3 ends positively, as recommended for application forms
- No contractions anywhere in the written responses
