Section 3 — Written Responses

1. **Describe your overall experience during your stay, including the room and the staff service.**

Overall, my three-night stay at The Cardiff Bay Hotel was very enjoyable. My room was clean, comfortable and well-equipped, with a pleasant view over the bay. The staff at reception were consistently friendly and helpful, and they dealt with my queries quickly and efficiently throughout my stay.

2. What did you like most about your stay, and was there anything that could be improved?

What I liked most about my stay was the quality of the breakfast in the hotel restaurant, which offered a wide variety of fresh, well-prepared food. I also appreciated being able to use the gym free of charge during my visit. One aspect that could be improved, however, is the Wi-Fi connection, which was unreliable in some areas of the hotel.

3. Would you recommend this hotel to others? Explain your reasons.

I would definitely recommend this hotel to friends and family because of its excellent staff, comfortable rooms and convenient location near the bay. Although the Wi-Fi connection could be improved, this did not significantly affect my overall experience. I would be happy to stay at this hotel again in the future.

What makes this answer good:

- Section 2 ratings are consistent with Section 3 (good overall stay, excellent staff, one specific complaint about Wi-Fi rather than a contradiction)
- Praise and criticism are both specific and concrete (the breakfast, the gym, the Wi-Fi) rather than vague general comments
- Q3 gives genuine reasons for the recommendation instead of simply repeating "yes, I would recommend it"
- Formal register and topic vocabulary reused naturally from the "useful phrases" list
- No contractions anywhere in the written responses
